¹ The list is presented here in the order of how I encountered them from the many sources about the web – not in order of their importance, relevance, correctness nor date of conception. In the future versions, it will be desirable to order these definition based on their conception or development in time.

² I have tried to quote the definitions from my sources verbatim, though for some few cases, I found the need to paraphrase or clarifying phrases where necessary to have a clear definition structure. In these cases I insert my own text in [] or italics.
